Sponsors

HamJam 2013 will take place on Saturday, November 9th at the Metropolitan Club, 5895 Windward Parkway, Alpharetta, GA 30005.

NFARL, SEDXC and our sponsors are pleased to be able to present the event as a public service to the amateur radio community. We hope you will be able to attend and enjoy a morning of visiting with fellow hams, listening to and interacting with our speakers, and the potential to win one of our raffle prizes.

The event is open to all hams and admission is FREE thanks to the generosity of our sponsors ... and your generosity in purchasing raffle tickets.

Speakers

Three outstanding speakers will share their insights into ham radio:

- Bob Allphin, K4UEE is a well known DXer who contributes to the DX side of ham radio by organizing and participating in expeditions. Nine of the many expeditions he helped organize received the coveted "DXpedition of the Year" award.
- Dan Henderson, N1ND is the ARRL's Regulatory Information Manager where he handles queries related to the Part 97 rules, questions related to antenna zoning and PRB-1 related issues, and information on CC&Rs.
- Riley Hollingsworth, K4ZDH served as Special Counsel with the FCC Enforcement Bureau, re-started the Amateur Radio Service enforcement program and managed the interference resolution programs in the Land Mobile and Public Safety services.

Raffle

A number of wonderful prizes will be raffled to help the sponsoring organizations offset expenses and hopefully have some funds left over for their scholarship funds. Raffle tickets are available for a \$5 donation (5 for \$20). Tickets and raffle rules available online at www.HAMJAM.info. You may also purchase raffle tickets from NFARL and SEDXC officers and at our ticket sales tables at HamJam until the mid-morning break.

You do not have to be present to win one of the top three prizes.

You must be present to be awarded one of the other raffle prizes.

This year we will have door prizes available to all who attend. No purchase necessary.
